

## **Internship at China Europe International Exchange AG**

We have a vacancy at China Europe International Exchange (CEINEX) AG in Eschborn / Frankfurt am Main for an intern (full-time/part-time).

### **Intern Corporate Strategy (f/m/d)**

#### **Organization**

Based in Frankfurt/Main, Germany, CEINEX is a joint venture established by Shanghai Stock Exchange, Deutsche Börse Group and China Financial Futures Exchange. As the first platform for China and Renminbi related financial products outside of China, we act as a unique bridge between the Chinese and international financial markets.

The Corporate Office section is responsible for the JV's strategy, finance, HR and corporate governance processes within CEINEX. In your new position as Corporate Strategy intern, you will support our company's Corporate Office team focusing on strategy-related topics. At CEINEX you will be working in an exciting, fast-paced start-up environment with a global impact.

#### **Tasks/responsibilities**

- Research on the financial market development in China and China-strategy related topics
- Independently support the preparation of long-term strategic concepts
- Support the team on procedures and processes related to internal governance
- Other ad-hoc tasks and projects as assigned by manager

#### **Qualifications/required skills**

- You must be enrolled in a recognized university program during the internship
- You must have completed at least the first 2 years of your university studies with focus on Business or Finance
- We are looking for driven and creative individuals with excellent communication skills and a precise and structured working style who enjoy working in a multicultural team
- Ability to work in a project mode
- Perfect fluency in written and spoken English is mandatory, additional proficiency in German would be an asset
